Just a reminder,

I understand Rick has to approve your travel request, however, to let you know, we have no Set aside Bristol Bay Travel \$ now, the only thing we rely on is for the projected AK Resources \$ that we just submitted to Marla which we do not know how much they will approve for them..... So, until there is an approved budget from AK Office, besides Rick's approval, we have to coordinate for funding with Marla to see if they will support the travel cost....

Marla, can you support on this travel cost?
